

Further Submission Form

Proposed Plan Change 4 to the Tairāwhiti Resource Management Plan

Submissions close Wednesday, April 11th, 2018

To Gisborne District Council,

Further Submitter name Winston Moreton Submitter 6

(For organisations, please include the full name of your organisation. For individuals, please include your first, middle and last names)

1. This is a further submission in support of (or in opposition to) a submission on proposed Plan Change 4.

2. I am:

A person representing a relevant aspect of the public interest.

Specify the grounds for saying that you come within this category.

I have objected to the process because the outcomes affect the whole Tairāwhiti community

A person who has an interest in the proposal that is greater than the interest the general public has. Specify the grounds for saying that you come within this category.

The local authority for the relevant area.

3. I support or oppose the submission of:

Name of submitter and submission number:

Seacrest (8) Wharf B & G (9) Bronwyn K (4)

4. The particular parts of the submission I support or ~~oppose~~ are:

The implicit call for postponement until a comprehensive more study of the impacts of the proposed change on the ^{whole} port zone (which is a public asset) ~~case~~ is undertaken

5. The reasons for my support or opposition are:

The whole Port area zoning should be undertaken as a zoning change. Not piecemeal (in the Port case) by applications for specified departure. What happens with the wharf applications affects the outcomes of this proposed scheme change

6. I seek that the whole or part {describe which part} of the submission be allowed or disallowed for the following reasons.

I ask that those parts of the submitters' call for more analysis (which needs to include the ^{town} wharf development) be adopted and ~~the~~ not [^] considered as a separate matter to what is ~~going to occur~~ ^{proposed for} on the Port proper.

7. I wish or do not wish to be heard in support of my further submission.

8. Signature of person authorised to sign on behalf of further submitter W. Maack
