**ACTION REQUIRED****1. TOWNSHIP UPGRADE:**

Resident:

- GDC building to be upgraded and completed for staff/community.
  - Walkway/footpath around the lake with stopping seating overlooking the Te Puia lake.
  - BBQ and BBQ tables with shelter on SH35 frontage at rest area, near lake.
  - Footpath upgrade around the Te Puia store and down towards council.
  - 50km sign still not erected on SH35 on each end of the township (from last meeting ongoing events).
  - Pedestrian crossing near bus stop (from last meeting)
  - Upgrade BBQ table and rubbish bin outside GDC building
  - All rubbish bins upgraded to the latest rubbish bins like Gisborne has, get rid of the old white and blue drums.
  - Walkway between the shop and SH35 crossing to the hospital requires seal as uneven surface.
- Response: There are things we can do in the immediate via RFS, there are things we can lobby for, but there is also the submission process. We encourage you to make a submission or include into your community upgrade plan.

No action required. Resident encouraged to make submission or include into community upgrade.

Resident: Would like the football fields to be repaired for community sports/activities. We have had Garret come through to do inspection, however haven't heard any updates.

Response: Not sure we will need to check with our parks and reserve teams.

No action required.
