## COASTAL RESOURCES EAST CAPE REGION HICKS BAY

SCALE 1:2500

This map was prepared by the  
 National Water and Soil  
 Conservation Organisation  
 from aerial photographs taken  
 in 1982. The map shows the  
 coastline and the location of  
 Hicks Bay. The map is a  
 reproduction of the original  
 map and is not a substitute  
 for the original map.
