

Design statement:

Te Puawaitanga Park sits within a unique wider setting of mountains and rivers. The Waiapu River as seen from above has been mapped to design playground and seating area layout. Ideas from the community have been used to inform playground equipment and other park features

key

-  proposed specimen tree/fruit tree planting
-  existing tree

All storytelling through artwork and in playground design subject to approval from community. community input is needed for ideas on stories and interpretation

Waiomatatini Road
