**APPLICATION FOR ARCHAEOLOGICAL AUTHORITY UNDER HERITAGE NEW ZEALAND  
POUHERE TAONGA ACT 2014: Authority no. 2016/820, Y18/381, Y18/382, Y18/390, Reads  
Store, Kaiti Freezing Works and Ruatuanuika Gardens, Wharf Side Log Yard, Eastland Port,  
Rakaiaatane Road, Gisborne**

Thank you for your application for an archaeological authority which has been granted.

In considering this application, Heritage New Zealand Pouhere Taonga notes that you wish to undertake earthworks to level and reseal the storage areas and install stormwater drainage in the Wharf Side Log Yard, Eastland Port, Rakaiaatane Road, Gisborne. This activity may affect features related to recorded archaeological sites and although they may have been damaged in the past may still possess archaeological values. We understand that once the area is free of logs and prior to any earthworks being carried out on site the section 45 archaeologist will undertake an assessment of the area and locate as accurately as possible the locations of the archaeological sites. This area is of significance to Ngati Oneone and we appreciate the consultation you have undertaken.

Please inform Ngati Oneone, the approved archaeologist and the Heritage New Zealand Pouhere Taonga Regional Office of start and finish dates for the work.

An appeal period from receipt of decision by all parties applies. Therefore this authority may not be exercised during the appeal period of 15 working days, or until any appeal that has been lodged is resolved.
