- 2.2** The Council will at the Tenant's cost grant the Tenant a lease of the Premises for the Renewal Term as set out in the Reference Schedule, if:
- 2.2.1** the Reference Schedule provides for a Renewal Term;
 - 2.2.2** the Tenant is not in breach of any of its obligations under this Lease, both at the time it gives its notice under the next sub-clause, and at the end of the Term, and has not breached its obligations during the Term;
 - 2.2.3** the Tenant has given to the Council written notice that it wishes to renew the Lease not less than 3 months before the end of the Term;
- 2.3** The new lease under clause 2.2 will be on the same terms as this Lease, except:
- 2.3.1** its term plus any further rights of renewal will not extend beyond the Final Expiry Date stated in the Reference Schedule;
 - 2.3.2** the rent payable under the new lease will be the amount determined under clauses 4.1 and 4.2.
- 2.4** The Tenant will execute a Deed of Renewal in the form prepared by the Council's solicitor, if required to do so by the Council.

3. RENT

- 3.1** The Tenant must pay the Rent to the Council by equal annual instalments in advance. The first of these instalments is due on the Commencement Date. However, the Tenant may elect to pay the rent by equal monthly instalments in advance on the first day of each month, if the Council has reviewed the rent to the current market rent for the Premises.
- 3.2** The Tenant must not reduce any payment of rent by making any deduction from it or set off against it.

4. RENT REVIEW

- 4.1** The Council is entitled at its sole discretion to decide in accordance with the relevant Council policy from time to time as to the rent levels that will apply to space of the type of land that comprises the Premises. For example, those levels may vary according to the type of space, and the purpose for which the space is used.
- 4.2** If the Council decides that the rent for all or any part of the Premises is to be set or reviewed to the current market rent for that space, or to a proportion of the current market rent, the current market rent for the Premises will be decided in the following way:

4.2.1 Not earlier than 3 months from a review date, the Council can give written notice to the Tenant specifying the annual rent the Council considers to be the current market rent for the Premises as at that review date.

4.2.2 The current market rent will be decided in accordance with clause 4.3, if the Tenant disputes that the proposed new annual rent is the current market rent by written notice to the Council within 28 days after receiving the Council's notice. However, the new rent will not be less than the annual rent payable during the period of 12 months immediately before the relevant review date.

4.2.3 The Tenant will be deemed to have accepted the annual rent specified in the Council's notice, if the Tenant fails to give the notice under clause 4.2.2 within the time stated in that sub-clause (time being of the essence).

4.2.4 The current market rent so decided or accepted will be the annual rent from the:

- (a) review date, if before the Tenant exercises its right to a new lease from that review date under clause 2.2, the Council has advised the Tenant at any time in writing of any change of policy under clause 4.1 from the policy that applied on the Commencement Date; or
- (b) next following review date, if clause 4.2.4 (a) does not apply.

4.2.5 Until the current market rent has been decided or accepted, the Tenant will pay the rent specified in the Council's notice, as long

as a certificate from a registered valuer substantiates the rent. The Council will give the Tenant a copy of that certificate when it gives its notice under clause 4.2.1. Once the current market rent has been decided an appropriate adjustment will be made.

4.2.6 Either party may request the rent review to be recorded in a deed. The Tenant will pay the cost of the deed.

4.3 The parties will try to agree on the current market rent immediately after the Tenant receives the Council's notice. The parties may determine the current market rent in either of the following ways, if the parties do not agree within 14 days:

4.3.1 By one party giving written notice to the other requiring the current market rent to be decided by arbitration; or

4.3.2 If the parties so agree, by registered valuers acting as experts and not as arbitrators as follows:

(a) Each party will appoint a valuer. They will give written notice of the appointment to the other party within 14 days of the parties agreeing to decide the current market rent in this way;

(b) If the party receiving a notice does not appoint a valuer within the 14-day period, then the valuer appointed by the other party will decide the current market rent. The valuer's decision will be binding on both parties;

(c) As soon as the valuers are appointed, they must appoint an umpire. The umpire need not be a registered valuer;

(d) The valuers will then decide the current market rent of the premises. The rent will be decided by the umpire, if the valuers do not agree on it within one month of the date of appointment of the last of them to be appointed;

(e) Each party will be given the opportunity to make written or verbal representations to the valuers or the umpire, subject to any reasonable time and other limits the valuers or the umpire prescribe. The valuers or the umpire will have regard to those representations, but will not be bound by them.

(f) The umpire or the valuers will give written notice to the parties of their decision as soon as practicable after they make it. The notice will state how the costs of the determination will be borne. The notice will be binding on the parties. However, either party will be entitled to appeal to the High Court any error of law arising out of the decision.

5. OUTGOINGS

- 5.1** The Tenant must punctually pay all rates as defined in the Local Government (Rating) Act 2002 and any other charges levied by a local authority against the Premises if so required. - 5.4** The Tenant must pay all Goods and Services Tax on the Rent and other payments made by the Tenant under this Lease either to the Council or as the Council directs. The Tenant will also pay any additional Goods and Services Tax the Council must pay, because the Tenant fails to pay when required.
- 5.5** The Tenant must pay any insurance premiums and valuation fees or reimburse Council for payment of the same as Council directs.

6. REQUIRED USE

- 6.1** The Tenant must not use the Premises for any purposes except the Required Use.
- 6.2** The Council is entitled to make such enquiries as the Council thinks fit, including giving the Tenant an opportunity of explaining the usage of the Premises if at any time the Council is concerned that the Premises is not being used or sufficiently used for the Required Use. The Tenant will be in default of its obligations under this lease if following such enquiries and having considered the Tenant's explanation the Council reasonably forms the opinion that the Premises is not being so used or sufficiently used.
- 6.3** The Tenant must not erect, paint, display or allow on the Premises any signs, notices or advertising material unless the Tenant first obtains the written approval of the Council in each case.

7. CONDUCT ON THE PREMISES

- 7.1** The Tenant must not use or permit the Premises or any part of the Premises to be used for any activity which is or may become dangerous, offensive, noxious, noisy, illegal or immoral, or which is or may become a nuisance or annoyance to the Council or to the owners and occupiers of neighbouring properties.

- 7.2** The Tenant must limit noise levels to a moderate level, and in particular must keep the noise level at the boundaries of the Premises to within the requirements of the District Plan.
- 7.3** The Tenant may make rules for the management and control of the Premises and for the conduct of persons using the Premises. Those rules must not be inconsistent with the terms of this Lease. The Council must approve those rules before they can come into effect.

8. LIQUOR LICENCES

The Tenant must not apply for a liquor licence or renew or vary any liquor licence for the Premises or any part of them without first obtaining the written consent of the Council as owner of the Premises.

9. TENANT'S ANNUAL REPORT

- 9.1** The Tenant within 3 months after the end of each of its financial years will, if required by the Council, provide the following information to the Council:
- 9.1.1** A set of its financial accounts for that financial year, if the Tenant's constitution/rules of incorporation require that the accounts be audited, then audited accounts are required;
 - 9.1.2** A copy of any changes to its constitution that have not been previously approved under clause 20.2;
 - 9.1.3** An up-to-date list of the Tenant's chairperson or president, secretary and other committee members, together with their addresses and other contact details.
- 9.2** The Council will be entitled at any time on reasonable notice for its auditors, being a Chartered Accountant in private practise, to inspect and audit all of the books of the account statements, documents, records, returns, papers and files of the Tenant relating to the Required Use and the Tenant at the request of the Council shall make the same available for inspection or audit at the Premises or at such other place as the Council may reasonably require.
- 9.3** The Council will be entitled to review the rent at any time to the current market rent for the Premises, if it is of the reasonable opinion that the Tenant is either operating for a profit, or is using the Premises to generate a profit. Clauses 4.2 and 4.3 will apply to any review to the current market rent. The rent will be reviewed again on the Rent Review Dates stated in the Reference Schedule.

10. OPEN MEMBERSHIP

- 10.1** The Tenant must comply with the Human Rights Act 1993 so far as it applies to the Tenant.

11. PUBLIC ACCESS

- 11.1** The Tenant shall not prohibit public access to the Land surrounding the Premises.

12. INSURANCE

- 12.1** The Council shall at all times during the term keep and maintain insurance for the Building against destruction or damage to the Building by an Excepted Event. Any insurance that Council does elect to effect will only be to that extent, with the excess, under the type of policy and on the terms and conditions that the Council from time to time considers appropriate at its absolute discretion. If insurance cover required under this subclause becomes unavailable during the term of this lease or any renewal other than because of the Council's act or omission, the Council will not be in breach while cover is unavailable, provided the Council uses all reasonable endeavours on an ongoing basis to obtain cover. The Council will advise the Tenant in writing whenever cover becomes unavailable and provide reasons as to the unavailability. The Council will also provide the Tenant with reasonable information relating to the cover when requested by the Tenant.

- 12.2** The parties acknowledge and agree pursuant to section 271 of the Property Law Act 2007 that to the extent of any excess payable regarding any insurance policy held by the Council, the excess will represent an amount which the Council has not insured, or has not fully insured the premises or the property against destruction or damage arising from the events that the sections applies to. If the Council makes any claim against its insurance for any destruction or damage because of any act or omission of the Tenant, the Tenant will pay the Council the amount of the excess not exceeding the sum \$2,000.

- 12.3** The Tenant shall take out an insurance policy for public risk cover as detailed in the reference schedule.

13. DAMAGE TO OR DESTRUCTION OF THE PREMISES

Total Destruction

- 13.1** If the premises or any portion of the building of which the premises may form part shall be destroyed or so damaged:

(a) as to render the premises untenable then the term shall at once terminate from the date of destruction or damage; or

(b) in the reasonable opinion of the Council as to require demolition or reconstruction, then the Council may within 3 months of the date of damage give the Tenant 20 working days' notice to terminate and a fair proportion of the rent and outgoings shall cease to be payable as from the date of damage.

Any termination pursuant to this subclause shall be without prejudice to the rights of either party against the other.

Partial Destruction

13.2 If the premises or any portion of the building of which the premises may form shall be damaged but not so far as to render the premises untenable and:

(a) the Council's policy or policies of insurance shall not have been invalidated or payment of the policy moneys refused in consequence of some act or default of the Tenant; and

(b) all the necessary permits and consents are obtainable,

and If the Council wishes to restore its building and improvements the Council shall with all reasonable speed expend all the insurance moneys received by the Council in respect of such damage towards repairing such damage or reinstating the premises or the building but the Council shall not be liable to expend any sum of money greater than the amount of the insurance money received.

13.3 Any repair or reinstatement may be carried out by the Council using such materials and form of construction and according to such plan as the Council thinks fit and shall be sufficient so long as it is reasonably adequate for the Tenant's occupation and use of the premises.

13.4 Until the completion of the repairs or reinstatement a fair proportion of the rent and outgoings shall cease to be payable as from the date of damage.

13.5 If any necessary permit or consent shall not be obtainable or the insurance moneys received by the Council shall be inadequate for the repair or reinstatement or should Council decide not to restore its buildings and improvements then the term shall at once terminate but without prejudice to the rights of either party against the other.

14. BUILDING WORK

14.1 The Tenant may not:

14.1.1 erect any Building or Improvement, or

14.1.2 alter, reinstate, extend, paint or redecorate any Building or Improvement without:

14.1.2.1 first supplying the Council with detailed plans and specifications and a project programme; and

14.1.2.2 obtaining the prior written approval of the Council as landowner.

14.2 The Council will not withhold its consent arbitrarily or unreasonably, under clause 14.1.2.2 if the proposed Building Work:

 - 14.2.2** will not in the opinion of the Council overload or endanger the proper working of any services, utilities or amenities; and
 - 14.2.3** will be carried out under the supervision of an architect, project manager, engineer or other suitably qualified person.
- 14.3** If the Council as landowner gives its approval under clause 14.1.2.2 then the Tenant must promptly complete the Building Work in a proper and workmanlike manner in accordance with the approved plans and specifications and all approvals, permits and consents.
- 14.4** The Tenant must obtain all consents required under the Building Act 2004 and the Resource Management Act 1991 and provide the Council (as landowner) with a copy of those consents. Approval of the Council under clause 14.1.2.2 will not be deemed to affect the Council's duties as a regulator as to those statutory consents.
- 14.5** In granting consent or approval under this clause 14 the Council will not be deemed to have warranted that the plans or specifications are suitable for the Tenant's purposes or that any person involved in the work is suitable or adequately qualified.
- 14.6** During the construction of the Building Work the Tenant must maintain, in the joint names of the Council and the Tenant for their respective interests, builders' risk and public liability insurance for amounts approved by the Council and will provide the Council with a copy. All Building Work is at the sole risk of the Tenant.
- 14.7** If during the course of the Building Work the Council reasonably considers the Tenant is failing to adhere to the approved plans or specifications, the project programme, the standards referred to in clause 14.2.2, or reasonably considers that the project is not being properly managed, the Council may by notice in writing to the Tenant require that all work stop immediately, or require it to take other action as necessary to mitigate the Council's concerns.
- 14.8** On completion of the Building Work, the Tenant must provide the Council with a copy of the code compliance certificate under the Building Act 2004 and a complete set of drawings accurately showing Buildings and Improvements as constructed or altered.

15. GROUNDS MAINTENANCE

- 15.1** The Tenant must maintain the grounds and surrounds of the Premises in a tidy and attractive condition at all times to the satisfaction of the Council.
- 15.2** The Tenant must mow any lawns within the Premises regularly, keep any gardens and planted areas watered and replace plants and shrubs, which die or are destroyed.
- 15.3** The Tenant must take effective measures to prevent any noxious weeds and recognised environmental plant pests growing on the Premises and

comply with the provisions of the Biosecurity Act 1993. The Tenant must also ensure that the Premises are kept free from stones, broken glass, litter, and other detritus.

- 15.4** The Tenant may with the prior written consent of the Council plant new trees on the Premises in places approved by the Council. The Tenant must maintain any trees on the Premises in a neat and tidy condition. The Tenant must not remove or prune any tree without the Council's prior written consent.

16. MAINTENANCE OF BUILDINGS/IMPROVEMENTS

- 16.1** The Tenant must keep and maintain all Buildings and Improvements (being the exterior, the interior and the structure) in good, clean, and substantial order, repair and condition. The Tenant will do this to the satisfaction of the Council.
- 16.2** The Tenant must remove any externally visible graffiti from any Buildings or Improvements within 5 days of any defacement occurring.
- 16.3** The Tenant must in any case repair or replace as reasonably necessary any windows, doors, glazing, light fittings, light bulbs, carpets, and floor coverings.
- 16.4** The Tenant shall permit the Council or any person authorised by the Council to enter the Premises at any time to carry out repairs to the Premises.
- 16.5** The Tenant shall ensure that the Premises are left in clean order repair and condition at the end or earlier determination of the term and will quietly yield up the Premises in clean order repair and condition. The Tenant shall not be liable for fair wear and tear arising from reasonable use.

17. REMOVAL OF BUILDINGS/IMPROVEMENTS

- 17.1** The Tenant may not pull down or remove any Buildings or Improvements without first obtaining the written consent of the Council.
- 17.2** At the end of this Lease whether by expiry of the term, breach of condition or otherwise, the Premises together with all the Buildings and Improvements will revert to the Council without any compensation whatsoever being payable to the Tenant by the Council.
- 17.3** Despite clause 17.2, at the end of this Lease, having regard to the condition and safety of the Premises and the Buildings and Improvements, the Council will have the following rights with respect to the Buildings and Improvements the Tenant has constructed or made:
- 17.3.1** the Council may make the Premises available to another tenant approved by the Council, in which case the Council may require any incoming tenant of the Premises to pay to the Tenant the value of the Tenant's Buildings and Improvements. This value, or amount to be paid, is to be agreed by the parties or if they cannot agree, it is to be determined in accordance with clause 17.3.4.

- 17.3.2** the Council may require the Tenant on written notice from the Council to remove all or some of the Tenant's Buildings and Improvements, in which case the Tenant will, within a reasonable time as stipulated in the notice, and in the manner stipulated in that notice, remove the Buildings and Improvements, and if this is not done within the stipulated time or in the stipulated manner then the Council may remove the same at the cost in all respects of the Tenant.
- 17.3.3** Where the Buildings and Improvements erected by the Tenant are of value to the Council, the Council may pay the Tenant the value of the Buildings and Improvements, as agreed by the Council and the Tenant. This value is to be agreed by the parties or if they cannot agree it is to be determined in accordance with clause 17.3.4. Whether the Buildings and Improvements are considered to be of value to the Council for the purpose of this sub-clause is entirely a matter for the Council's discretion and not a matter for dispute between the parties.
- 17.3.4** Where under clause 17.3.1 or 17.3.3 the parties cannot agree on the value of the Buildings and Improvements within 14 days, each party will within a further 14 days appoint a registered valuer to act as an expert for the purpose of determining the value of the Buildings and Improvements. The valuers will appoint an umpire who need not be a registered valuer before determining the value of the Buildings and Improvements. Where the valuers cannot agree on the value, the umpire will make the final determination.
- 17.4** At the end of this Lease, the Council may remove from the Premises any chattels in the apparent possession of the Tenant and place them outside the Premises and the Council shall not be answerable for any loss resulting from the exercise of the power of re-entry.

18. ACTS, REGULATIONS, BY-LAWS AND RULES

- 18.1** The Tenant must comply with all Acts, Regulations, By-laws, District and Regional Plan Rules as they affect the Premises.
- 18.2** Where any Building requires a compliance schedule under the Building Act 2004 ("the Act") the owner of the Building shall at its own cost fully comply with all obligations imposed under the Act including but not limited to:
- 18.2.1** complying with any requirements specified in any compliance schedule issued by the Council in its regulatory capacity;
 - 18.2.2** ensuring the Building has at all times a current building warrant of fitness and obtaining any written reports relating to compliance with the compliance schedule;
 - 18.2.3** complying with any notices issued by the Council in its regulatory capacity under the Act.
- 18.3** The owner of the Building shall at all times display at a place in the Building to which users of the Building have ready access, a copy of the current

building warrant of fitness showing the location of the compliance schedule.

18.4 The Tenant shall make available to the Council in its capacity as Landlord:

18.4.1 prior to the annual anniversary of the issue of the compliance schedule a copy of the compliance schedule together with any written reports relating to compliance with the compliance schedule; and

18.4.2 on every subsequent annual anniversary a copy of the current building warrant of fitness for the Building together with any written reports relating to compliance with the compliance schedule.

18.5 The Tenant shall:

18.5.2 deliver annually to the Registrar of Companies in prescribed form an annual financial statement containing the particulars required by the Incorporated Societies Act 2022.

19. INSPECTIONS

19.1 The Tenant must allow the Council or any person authorised by the Council at all reasonable times on to the Premises and inside Buildings to inspect them.

19.2 If the Council gives the Tenant notice of failure to do repairs required by this Lease, the Tenant must carry out work with all speed and complete the work in a diligent and workmanlike manner.

19.3 If the Tenant fails to comply with clause 19.2 then the Council is entitled to enter the Premises and carry out the work and the Tenant must pay the cost of that work on demand.

20. ASSIGNMENT AND SUBLETTING

20.1 The Tenant must not assign, mortgage, charge, sublet or part with possession of the Premises or any part of the Premises.

20.2 If the Tenant is an incorporated society or an association or trust (whether incorporated or not), any amalgamation, or any change in the Tenant's constitution or rules which affects the objects or purposes of the Tenant, will be deemed to be an assignment of this Lease.

21. DEFAULT

21.1 In accordance with the procedures stated in sections 244 to 252 of the Property Law Act 2007, the Council may cancel this Lease and either re-enter the Premises or apply to court for an order for possession of the Premises, if the Tenant:

- 21.1.1** fails for 14 days after the due date to pay any instalment of the Rent or any other money payable under this Lease; or
- 21.1.2** fails to observe or perform any other obligation under this Lease for 28 days after receiving notice of such failure; or
- 21.1.3** being a company or incorporated body:

- 21.1.4** being an unincorporated association or trust, is wound up, dissolved or becomes defunct.

21.2 The Council may without being under any obligation to do so remedy at the Tenant's cost any default by the Tenant under this Lease.

22. INDEMNITY

22.1 The Tenant shall indemnify the Council against all loss suffered or liability incurred by the Tenant including but not limited to loss or liability:

- (i) caused by reason of the escape from the property to adjoining or neighboring properties of any fire (howsoever caused), water, sewage, gas or other substance; or
- (ii) resulting from any act or omission on the part of the Tenant or the Tenant's agent; or
- (iii) for costs, claims and demands in respect of injury or damage resulting from anything done on the Premises or on the Buildings.

22.2 However, this indemnity will only apply to damage to or destruction of the Premises or the Buildings arising from an Excepted Event, if and to the extent that:

- 22.2.1** the destruction or damage was intentionally done or caused by the Tenant or the Tenant's Agent; or
- 22.2.2** the destruction or damage was the result of an act or omission by the Tenant or the Tenant's Agent that:
 - (a) occurred on or about the Premises or on or about the whole or any part of the Facility or the Land; and

(b) constitutes an imprisonable offence; or

22.2.3 any insurance moneys that would otherwise have been payable to the Council for the destruction or damage are irrecoverable because of the act or omission of the Tenant or Tenant's Agent.

23 HEALTH AND SAFETY

23.1 The Tenant shall at all times comply with its obligations under health and safety legislation, including (without limitation) the Health and Safety at Work Act 2015 (the Act), (and any of its amendments and replacements) and any applicable regulations or codes of practice.

24. DISPUTE RESOLUTION

24.1 Except for those provisions where the Council has a discretion contained in clauses 2.2, and 4.1, if any dispute arises between the Council and the Tenant concerning this Lease, the parties will try in good faith to settle the matter by negotiation, and if that is unsuccessful by mediation.

- 24.2** If the dispute cannot be settled by negotiation or mediation, it will be referred to arbitration (under clause 24.3).
- 24.3** The dispute will be referred to a sole arbitrator if the parties agree upon one, and if not then the dispute will be referred to an arbitrator appointed by the then President or Vice President of the New Zealand Law Society.
- 24.4** The Arbitration Act 1996 will govern the arbitration and the arbitral award will be final and binding on the parties. However, either party is entitled to appeal to the High Court on any error of law arising out of the award.

25. NATURE OF THE COUNCIL

- 25.1** The Council has signed this Lease as the owner of the Premises. The Council is also the territorial authority for the area in which the Premises are situated. Nothing in this Lease limits or affects the duties and obligations of the Council as a regulatory authority under the Resource Management Act 1991, the Building Act 2004 or any other relevant statute. The Council will not be liable for any expense, costs, loss, or damages the Tenant or any person claiming through the Tenant suffers or incurs because of the Council lawfully carrying out its statutory duties.
- 25.2** Where this Lease requires the Tenant to obtain any consent or approval of the Council, the Council will grant that consent or approval in its capacity as the owner of the Premises only. The Tenant must separately obtain through the relevant department of the Council any consent or approval it requires from the Council acting as regulatory authority. Similarly, any consent or approval the Tenant obtains from the Council acting as territorial authority, does not constitute the consent of the Council in its capacity as the owner of the Premises.
- 25.3** Where the Tenant wants to give a notice to or otherwise communicate with the Council, the Tenant must address the notice to, or otherwise deal with the department of the Council from time to time charged with administering this Lease. A notice the Tenant sends that has not been addressed to that department will have no effect and will not have been given, until it has been actually received by that department. Any consent, approval or other permission obtained from any other department will not be binding on the Council.
- 25.4** The Liveable Communities Department as at the Commencement Date is the department of the Council charged with administering this Lease. The Council will advise the Tenant of any change as soon as practicable after the change comes into effect.

26. IMPLIED PROVISIONS

- 26.1** The covenants and provisions implied in Leases by the Property Law Act 2007 and the Land Transfer Act 2017 will apply to this Lease except to the extent they are inconsistent with the terms of this Lease.
- 26.2** The Tenant will not call for this Lease to be registered or lodge a caveat against the title to the Land.

27. COSTS

27.1 The Tenant will pay:

27.1.1 The Council's solicitor's costs of and incidental to the preparation of this Lease and any deed recording a rent review;

27.1.2 The Council's legal costs (as between solicitor and client) of and incidental to the enforcement or attempted enforcement of the Council's rights remedies and powers under this Lease;

27.1.3 Any advertising costs associated with statutory requirements to give public notice of this Lease; and

26.1.4 The Council's reasonable costs incurred in considering any request by the Tenant for the Council's consent to any matter contemplated by this Lease.
